# Erie County High School Envirothon

May 3rd, 2012

Registration: 9am

An exciting environmental competition for Erie County students grades 9-12! School teams will challenge themselves and each other, testing their knowledge on Wildlife, Soils, Aquatics, Forestry, and a Current Issue. County winners move on to the State competition and potentially the National competition. Participants will have the opportunity to engage in hands-on activities, interact with environmental scientists and experts, plus develop further knowledge of our natural resources, all in the setting of one of Erie County's great natural resources, Headwaters Park!

*Hosted by the Erie  
County Conservation  
District at Headwaters  
Park*
