

# Middle School Envirothon

Hosted by the Erie  
County Conservation  
District at  
Headwaters Park

## May 10th, 2012

A great opportunity for middle school teams to challenge each other and their knowledge of our natural resources! This free event includes a fun-filled day at Headwaters Park, engaging in interactive learning stations and competing for the regional title! Please visit [www.erieconservation.com](http://www.erieconservation.com) or call 825-6403 for further information.
