

COVID-19 RESPONSE
ERIE COUNTY CONSERVATION DISTRICT OPERATIONS LIMITED

In response to the direction from Pennsylvania Governor Tom Wolf and the PA Department of Environmental Protection, the Erie County Conservation District will operate on a limited basis through Tuesday March 31, 2020. The office will be closed to the public through March 31st.

District Staff will be working remotely through March 31, 2020 and will have access to their voicemail and email.

You can still contact the District through: Our General Phone Voicemail 814-825-6403 and General Email Address eriecons@erieconservation.com. These will be checked daily, and a staff member will get back with you.

The District is still accepting Seedling Sale orders! Please enter your order online: www.erieconservation.com, or mail to 1927 Wager Road, Erie, PA 16509.

The District is still accepting plans and permit applications by US Mail and drop off. There is a drop off area located in the vestibule in the front of the ECCD office building. Plans and applications received after March 17, 2020 may be subject to revised review guidelines provided by the Pennsylvania Department of Environmental Protection.

As we navigate through this public health crisis, this posting is subject to change and will be updated as necessary. Thank you.
